U. F. A. District Association Meeting

—o—

The organized locals of the U.F.A. and U.P.W.A. know that the Rockyford berry district held a convention at Tudor on the afternoon of Saturday, the 11th inst., which was the usual routine of work usual to any meeting of an organization. The meeting was held in the evening, and considerable discussion on the various questions dealt with, all of which made the evening most interesting. The meeting was held without delay, as much people could attend, and support these excellent farm efforts, a great deal could be accomplished toward the betterment of conditions of the agricultural industry.

There were five speakers: Mr. Ewing, of Kemus, dealt with the question of C.P.R. Land Contracts, pointing out the difficulties and explaining the contracts now in use, and also the new proposed 24 year contract. He also dealt with the question of organized on the part of the farmers of C.P.R. land to make a proposal to the C.P.R. and to the whole meeting the address and discussion was interesting, and whether anyone agrees with all that was said or not will have to admit that the farmers involved in this problem are adopting a wise method in taking up the matter in a properly organized body.

Mr. Weaver of the U.F.A. took up the question of the Wheat Pool, pointing out many of the advantages and disadvantages of the pool. He pointed out the fact that the pool is a good thing for the farmer, and that it is a good thing for the consumer, and that it is a good thing for the whole country. He pointed out the fact that the pool is a good thing for the farmer, and that it is a good thing for the consumer, and that it is a good thing for the whole country.

Mr. Sears dealt with the question of the Wheat Pool, pointing out many of the advantages and disadvantages of the pool. He pointed out the fact that the pool is a good thing for the farmer, and that it is a good thing for the consumer, and that it is a good thing for the whole country. He pointed out the fact that the pool is a good thing for the farmer, and that it is a good thing for the consumer, and that it is a good thing for the whole country.

Mr. Sears dealt with the question of the Wheat Pool, pointing out many of the advantages and disadvantages of the pool. He pointed out the fact that the pool is a good thing for the farmer, and that it is a good thing for the consumer, and that it is a good thing for the whole country. He pointed out the fact that the pool is a good thing for the farmer, and that it is a good thing for the consumer, and that it is a good thing for the whole country.

ROCKYFORD MAN MEMBER OF WHEAT POOL COMMITTEE

Rockyford district has been honored by the selection of one of the prominent farmers of the district as a member of the Provincial Wheat Pool Committee, as one of the non-U.F.A. members.

The farmer thus selected is Mr. Sid Dorsey, one of the largest and most enterprising farmers in the district. The position was held by Mr. Wm. Rudd, but he could not see his way clear to accept it, but suggested Mr. Dorsey.

ROCKYFORD MEETING ON SATURDAY

A public meeting in connection with the drive next week for signatures to the Wheat Pool Contracts will be held at McCreedy Hall, Rockyford, on Saturday evening, August 18, at 8 p.m.

A member of the Alberta Wheat Pool Committee will be present to answer any questions, and explain the contract and every farmer and business man in the district is urged to be present.

In accordance with a recent amendment to the Mothers' Allowance Act, it is now the duty of the Municipality to make their own investigation of neglected children. Mr. At. Therefore each Municipality appoints an inspector, and Mr. E. W. Scott has been appointed for the Municipality of Grasswood. Mr. Galt for the village of Rockyford.

Langdon Notes

Mr. and Mrs. Sam Scott, and family, also Mrs. Scott's brother, Mr. Scott, returned home from their trip to the States. Mr. and Mrs. Scott report the best of last season's wheat, and a very enjoyable vacation.

Mrs. J. J. Colwell and son, Leon J. returned to Langdon after spending a week at the home of Mr. Colwell at Watrous, Sask.

Mr. Geo. Whitley, who has been spending a couple of weeks with relatives at Watrous, returned home August 10.

Edith Vach, a former resident of Langdon district, now living at Watrous, returned home after a visit to her mother, Mrs. Vach, who is now working her way back to her home in the U.S.A. since 1917.

The Annual Meeting of the Langdon and Bow River Agricultural Societies was held in the hall of the town of Watrous, on Saturday night, August 18th, 1922. Everyone interested in the society, especially the young people, were present.

Mr. Lester Anderson, who underwent an operation for gonorrhea on August 1st, is apparently over the ordeal. His many friends will be glad to hear his report.

Mr. T. H. Thompson, who is now in the States, has a small fire truck in the States. He is now in the States, and is now in the States.

WHEAT POOL Sign-Up Week August 20-25

—o—

Alberta has decided to have a voluntary Wheat Pool. The Government, the U.F.A. (farmers), and the business men of towns and cities, all classes are united in favoring a Wheat Pool as the surest method of improving marketing conditions of the farmer—of increasing the prosperity of everybody in this Province.

A Provincial Wheat Pool Committee has been formed, and has been working out the details of operation, including contract, financing and so forth.

This committee is confident about the outcome, provided that the farmers themselves show now—now that they have the chance to get to—what they actually want: a Wheat Pool. They are ready to go into one.

How can that be shown? In one way only. By signing up with the Pool. By signing the contract.

Contract Signing Week has been fixed to begin August 20th. In that week it is hoped to reach every farmer in Alberta. Under 50 per cent of the farmers sign the contract, there will be no Pool. This is your opportunity.

If you don't want the Pool, refuse to sign, and there will be no Pool. There is no half way about it. Signing means success. No signing means go on as you have been going.

Contract forms and all information are being sent to the U.F.A. Secretary in your district. Write him, or write to the Pool and town officers. Give in your name as a signer. Find out what you have to do. Get your neighbors in. Fast work is required now to get into operation this year. Cover your district thoroughly.

Here's your chance to get a real Wheat Pool. Sign! THE PROVINCIAL WHEAT POOL COMMITTEE H. W. Wood, Chairman S. Linn, Vice Chairman W. J. Jackson, General Secretary

Representatives of the United Farmers of Alberta: S. Linn, Parker Cook, W. J. Jackson, Fredrickson, J. J. W. Robinson, Munson, C. J. Wager, Chairman. Representatives of the Farmers' Union: R. A. W. L. Carlyle, Calgary; P. Fallow, Calgary; O. N. Gilbert, Calgary. Representatives of the Grain Trade: John I. McFarland, Calgary; E. S. McFarland, Calgary. Representatives of the Boards of Trade: E. J. Richardson, Calgary; R. B. Richardson, Calgary. Representative of the Press: C. J. South, Calgary. Representative of the Provincial Government: Hon. J. E. Brownlee, Edmonton.

Town Council Meeting Local Hotting

A meeting of Strathmore Town Council was held in the Council Chamber on Tuesday evening, Mayor Bell presiding.

It was decided to have the weeds on streets and on vacant lots cut, and also to advise property owners to cut the weeds on their own lots. A fine may be levied if this is not done.
The tender of A. Shaw for painting the Town Hall, price \$125, was accepted, this being the lowest.
Vote On School By-law

A letter was read from the Secretary of Strathmore School District stating that as a poll had been demanded by twenty-four ratepayers on the proposals for improvements at the school, it would be necessary for the Council to pass a resolution. The Council passed a resolution, and the school committee, Mr. F. R. Lilly as secretary, and ordered him to make the necessary arrangements.

A communication was read from the Department of Health asking the approval of the Council to the appointment of a public health nurse for the Municipalities of Bow Valley and Blackfoot, and the Towns of Strathmore and Okotoks. The duties of the nurse would be to inspect the school children in these towns and districts, and half the cost would be borne by the Government, and the balance between the various localities. It was agreed to accept the offer, and to have further information. The Council members seemed to be generally in sympathy with the project.

Chairman Clinch and Trustees Mackenzie, of the Strathmore School District, addressed the Council at some length in explanation of the Board's request for borrowing money.

An Economical Council
Discussion took place as to the dressing room at the park hotel. There had been recently repaired and whitewashed, but it was stated that an improper use had been made of the room. The Council, after consulting for some time decided to borrow a latrine from the back of one of the buildings on Second Street, and place it close to one of the dressing rooms. In reference to the filling up of the excavation left, one of the councillors said that the Council should fill it up. They could not make fish of one, and fowl of another, and Councillor Tompkins said that it was certainly fish. Another councillor suggested that the hole could be used for postholes.

The Council decided to fence in the old main ground, and the road to the new one, and to call for tenders for the cleaning up of the old one.
Who said the days of Miracles were past? A gentleman from the orange grove of California, stopped on to Calgary, and beheld, a whole pool blossomed forth after ten years of talk by our farmers and politicians without anything being accomplished. We have now an opportunity of helping ourselves, not cut behind this movement and boast it for all it is worth. If our friends will support this movement to the limit, in a few years' time they will wonder how they have lived so long without it, for the operation is the most splendid manner of demonstrating what selfishness can accomplish. In other lands, have been splendid results attained through this method, and we do not believe the farmers of Alberta are behind any people in shrewdness and staying qualities.
The editor of a Calgary paper, in commenting on crop conditions, says, "What crop is never safe until the money is in the trouser pocket of the farmer." This gentleman is usually well-informed, but in this matter he is away off, for who is it? The harvest of the money ever getting that far? By the time everybody gets a whack at our crops, we find good if a plug of MacDonald, or a bag of old Bull is repelling safety in our pants.
Mr. and Mrs. Lee Raymond stopped at Balnora last Saturday before proceeding to the south country, where Mr. Raymond will run an elevator for the National Grain Co.

COMMERCIAL TRAVELERS SEE COMING BOOM IN CANADIAN BUSINESS

WINNIPEG, Man., August 19.—Commercial travelers generally agree that the coming autumn will see a great business revival, according to George H. Hayes, secretary of the Ontario Commercial Travelers' Association. Optimism is replacing pessimism of slack trade in all lines, and wholesale houses are preparing to do the greatest amount of business this fall since the recent business depression. It is believed that there will be a general loosening in buying, and that money will be more plentiful than at any time since 1921.

Commercial Travelers' Association. Optimism is replacing pessimism of slack trade in all lines, and wholesale houses are preparing to do the greatest amount of business this fall since the recent business depression. It is believed that there will be a general loosening in buying, and that money will be more plentiful than at any time since 1921.

Baintree Notes

J. T. Blake and W. Lyons were the guests of Mr. and Mrs. F. E. Wynon on Sunday.
Roy and Earle Burchell have returned to Calgary after spending a portion of their vacation at Honey Bee Farm.

- OF LOCAL INTEREST •
- Residents are requested to send in items for this column not later than 12 o'clock Monday noon •
- preceding day of publication. All •
- local news items are welcome. •
- by the Standard, Phone 17 or 68 •

Assistant postmaster Bradford is going out in the country shortly to be in the harvesting for a few weeks, so post office customers can have a little patience if the handling of mail is not so fast as usual, remembering that Mart has it all to do himself, while his assistant is out working on the good cause. Mart will take his own holidays when duck shooting opens. Eighteen racks of mail, containing catalogues of one mail order house arrived at Strathmore last week. It was sure thing that mail order houses are one of the values of the country, though some of our local business people apparently are not. The only way to meet mail order competition, for the price, quality, and to let the people know that you are doing so. Merchants who do nothing are not suffering from mail order competition. Mail order business is on the decrease anyway, as more local merchants are adopting up-to-date methods of business.

Councillor Sid Hyde has done something this year to assist in making Strathmore a town beautiful. The garden, which has practically all been built up within the year since he bought the property on Third Street, is one of the best in the district.

A meeting of the local Committee of Strathmore Moderation League was held in the dining room of the Memorial Hotel yesterday evening. A report will be published in next issue. Mrs. W. Blackwell (now Kathleen Chubb) was operated on at Calgary Sunday for appendicitis. The operation was entirely successful, and Mrs. Blackwell is making a good recovery, which is welcome news to her many friends.

Five pupils of Strathmore School passed in Grade X exam. The names are: Grace Scheer, Edna Scher, Marian Irt, Ellen Garriot, and Gladys Lewandow. Either the country girls have more ability than the city boys and girls, or they have less distractions, for every one of the passes is by country girls attending Strathmore School.

Strathmore Town Council urge that every householder or lot owner cut the weeds on their property on the 1st of September. Farmers are bigger offenders than farmers are in this regard, and with less excuse.

Large numbers of tourists, from all parts of the continent, pass through Strathmore these days on their way through to the Banff-Windermere Highway, and many of them have their goal set for the land across the Rockies "flowing with beer and whisky." Mrs. Margeson, one of our school staff, is at present at Seattle, and will be returning soon to Strathmore to take up work again. The worst six miles of the Calgary road at present are between Strathmore and Cherdre corner, and traffic has to go on the road at four or five places owing to deep water-filled holes. These holes could be filled at an expenditure of about a couple of hundred dollars, and we wonder whether the trouble is that the Government will not authorize the expenditure, or whether the local Council, who do this work under the Government, will not take action.

Local business men are already beginning to feel the advance business effects of the coming crop.

Mr. and Mrs. G. T. Berry have left on a motor trip through the Rockies. Mr. Jones, formerly principal of Strathmore School, is on a week's visit with Mr. and Mrs. H. Wood. He is now engaged in teaching at Calgary.

BIRTHS—On August 4, to Mr. and Mrs. Paul Cote, a son; August 12, to Mrs. J. McLeod, a daughter; both at Mrs. Hinch's Nurseries.
Mrs. C. H. Payton, of Los Angeles, who has been visiting her sister, Mrs. Zerkow for three weeks, left on Monday for the States. Mr. E. E. Zerkow left Tuesday evening on a visit of several weeks duration to Mr. Fred Schottler, at Rocky Mountain House.

Mr. T. M. Wears has returned to Strathmore after spending an enjoyable vacation at Banff.
Those King Tom uniforms that now adorn so many charming ladies, are, without doubt, very fetching, but, somehow or other, we always get an idea of the King Tom outfit when we see it. It is because we once saw a nice plump nunny dressed in the same fashioned the impress! still fingers.

Standard News

Mr. Ben Gerdling left here on Monday last for his home in Portland, Alta. Mr. and Mrs. Trish, and Mrs. Bushman, of Portland, Ore. are visiting Mr. and Mrs. Paul Bushman, having motored here via the Banff Windermere road.

The first hail storm of this year visited Standard on Wednesday, April 24th, doing damage to some three thousand acres in the Cranberry district.

Mr. and Mrs. George Peterson returned the Danish Dramatic Society on Friday, August 2nd.

Mrs. J. P. Hansen entertained on Wednesday last in honor of Viola and Doris's birthday. Those present were the Misses Lykka Anderson, Mae and Margaret Rasmussen, Jounia Nelson, Martha Webb, Ellen Nordquist, Ella and Nora Larsen, Mary and Nera Hansen, Agnes Ingaborg, Corine and Olga Rasmussen, and Fredrickson.

Mr. and Mrs. C. H. Hosken are leaving Standard on the 12th of August. Mr. Hosken has been transferred to Valdez, Alta.

Mr. and Mrs. C. H. Hosken were guests of honor at a dainty luncheon served by the members of the Tennis Club at the home of Mr. and Mrs. D. Knowlton, on Friday last. The table was tastefully decorated with blue linens, and flowers and streamers carried out the color scheme in the room. After the luncheon the president read an address to Mr. and Mrs. Hosken referring to them as energetic members of the club and expressing, on behalf of the Tennis Club, the regret with which they see them leave Standard. The remainder of the evening was spent in playing games, and ended with singing "For They are Jolly Good Fellows."

Those present were: Mr. and Mrs. Hosken, Mr. and Mrs. Williams, Mrs. Webb, Mr. and Mrs. O. P. Larsen, Mrs. V. Peterson, Mrs. L. Nelson, Mr. and Mrs. A. Messenger, Mr. and Mrs. F. D. Knowlton, Misses Dorothy Dickson, Bertha Mair, Edith Bertha, Misses Martha Webb, Frieda Messenger and Lily Messenger, Messrs M. Klar, H. Larsen, Leo Larsen, Mr. Otto Christensen were fortunate enough to severely cut his finger. Six stitches were necessary. He reports that it is doing well.

The delightful farewell tea was given Mrs. Hosken and Mrs. Penke at the home of Mrs. Nelson on Friday, August 10th. After the delightful refreshments the guests of honor were the recipients of Pures pie plates, in silver frames, presented by the president of the Women's Institute. Both Mrs. Hosken and Mrs. Penke will be much missed by the Standard Women's Institute, as they were loyal and helpful members.

Dr. Cook, one time notorious for his assertion that he had discovered the North Pole, is now tangled up with some small scandal. His imagination, there are several opinions in different parts of the world, may be the seed of one of our future should also be one very definite clue.

Support The Wheat Pool

The movement which is now under way, and which will culminate next week in a contract drive for the formation of a wheat pool, is the greatest step which has been taken by the farmers of Western Canada for many years.

The farmer has complained for a number of years past, and with reason, that his produce was being sold at a price that had no relation to the cost of production. Consequently there was no profit in farming. The man who raised the grain had no control of the price at which it was sold, and the price was fixed by the consumer, not the farmer and the ultimate consumer, but was taken by speculators and wheat gamblers, whose object was to pay the producer the lowest price and charge the consumer the highest.

If the pool project means that the approval of the farmers next week, it will mean the end of this. The members of the pool will employ their own agents, and these will be the only intermediaries between the producer and the consumer, with the exception of the shippers and millers, who form necessary links in the chain.

The object of the pool is not to create, or attempt to create, a monopoly in wheat, but to sell it on a proper merchandising basis. We have the authority of Aaron Sapir, the great expert on co-operation, that any attempt to hold up the consumer will end in disaster, because wheat is a crop that cannot be monopolized.

The contract which the farmer will be asked to sign next week is an irrevocable one. The signing of the contract involves the turning over of the entire crop of the next five years, with the exception of that required for seed, etc., to the pool. At the same time, this is the only form of contract which has ever proved successful. No wheat agency can exist successfully, and turn over the maximum proceeds to the grower, which has not the assurance of stability.

The pool will make payments in

much the same manner as the Canada Wheat Board, making an initial payment at the time the wheat is delivered to the elevator, and further dividends from time to time throughout the pool year.

When the pool has been signed up, the members of it, who will be contract holders, will elect their officers. The present committee only functions until such time as the permanent board has been elected.

We have no hesitation in advising every wheat grower to become a member of the pool. It does not hold out for the present year, any promise of a fortune, because of the necessity of disposing of a larger crop. Canada has ever grown before, and the unsettled conditions in importing countries, but for the first time the farmer will have control of his own wheat, and the sale of wheat will be transformed from speculative to a business basis.

Above all, when the canvassers come round to you next week, remember that the canvasser who will come round to see you is in all probability a farmer himself. He is not a lawyer, and is probably not in a position to entertain you with a lengthy argument. His interest is in your pool, to just the same as your own. He will furnish you with all the information possible with regard to the pool, and when you sign the contract you become one of the owners of the pool, and have your voice in its management. Whether the pool is a success in the years to come is then up to you and your brother farmers.

It would save a lot of time, if every farmer would attend the meeting to be held all over the province next Saturday evening, when the pool will be fully explained, copies of the contract exhibited, and arrangements made for the drive. If you come to this meeting you can get all the information possible regarding the pool, and you can either sign the contract there, or think it over during the week-end, and have your mind made up on Monday.

Co-operation means more than a bigger price for wheat, or an improved merchandising system. It means better homes, better communities, and more prosperity and happiness all round.

Namaka News

The picnic and dance put on by the U.F.A. was a real success from the financial standpoint. The wet room was responsible for a few latecomers. The Standard's lunch is an ideal spot for a picnic, and all those present had a most enjoyable time. The dance at night was well attended, there being one of the biggest crowds present since the days of Fred Cross.

We are pleased to announce that Jack's anxiety is at last ended, and he is now the proud possessor of a brand new baby daughter. Congratulations to Mr. and Mrs. Jack McLean. We hope to report Mr. J. Murray and family have left this neighborhood, after having spent the past few days here. They will be greatly missed, having always upheld the ideal of any social work. They have now taken up residence at Three Hills, and we all wish them every success.

Mr. C. W. Watson met his uncle from Lankashire, Scotland, on Sunday's train. He is on a sight-seeing trip through Canada, and is paying a visit to Mr. and Mrs. Watson on his road through.

Mrs. V. W. McIntosh was a visitor to Calgary last week.

Mr. C. A. Watts and family took in the big circus on Monday. En route on a visit to Cluny.

Mr. and Mrs. Bob Hagar is spending a few days in Calgary.

Pete Baker arrived home with his mother on Monday's train.

Bill and Jim Lantz accompanied by Steve, are on a trip over the Banff-Windermere road.

A MORNING PRAYER—Create in me a clean heart, O God; and renew a right spirit within me—Psalm 51:10.

August 15
THE INFINITE PROTER FOR I take the wings of the morning, and dwell in the uttermost parts of the sea; even there shall thy hand lead me, and thy right hand shall hold me up.—Psalm 124:8-10.

August 16
THE DAILY CLEANSING—Let all uncleanliness and wrath, and anger, and passion, and evil speaking, be put away from you, with all malice, Ephesians 4:31.

August 17
THAT WHICH SATISFIES—Wherefore do ye spend money for that which is not bread? and your labour for that which satisfieth not? hearken diligently unto me, and eat ye that which is good, and let your soul delight itself in fatness.—Isaiah 55:2.

August 18
KEEP THE WORD—Whoso keepeth the word, in him verily is the love of God perfected, hereby know we that we are in him.—1 John 2:5.

August 19
NOT EVERY ONE THAT SAITH LORD, LORD—Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven.—Matthew 7:21.

August 20
DOMINION—God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.—2 Timothy 1:7.

August 21
BETTER THAN SILVER AND GOLD—Guidance with contentment is great gain. For we brought nothing into this world, and it is certain we can carry nothing out. And having food and raiment, let us herewith be content.—1 Timothy 6:6, 7, 8.

DETROIT, August 4.—Another new production high spot was set up by the Ford Motor Company a couple of weeks ago. It came when the domestic automobile plant established a new daily record by turning out 8841 completed cars and trucks. This is 47 better than the previous high mark of June 19, when the day's production was 8794.

The domestic output for the week, the Ford News announced, was 48,368 Ford cars and trucks, 1,568 Packard franchises and 171 cars in the Lincoln division of the company.

dislike attended the meeting at Strathmore on Saturday night.

Mr. Thorsen had the unfortunate, on Saturday, to break a wheel on his car through going into a culvert near Calgary's place. The cause of his going off the road was that the wheels were not working. Fortunately there were no personal injuries.

FALLACY OF BUYING GOODS BY MAIL

As long as you buy other things from the mail it is not doing this town any good to buy the little things here and then ship off to a city or send to a retail store longer when you want something on which the merchant has a chance to make a dollar.

Neither is it doing you any good for the prosperity of each citizen dependent to a large extent upon the prosperity or the community as a whole.

We are not telling you something you do not know.

We are simply refreshing your memory in hopes the time may come when our people will conclude that a town that is worth living in is worth trading.

That's all. —Reddick Review

6
FRENCH AVIATION REACHES
PROBABLY RECORD ALTITUDE
Villacoublay, France, August 6.—In flight today, under official control, and according to the noted aviator, Paul Lecointe, the noted aviator, who has a list of records that may go down the books as a world's record.
On descending after two hours in the air, the aviator's instruments showed that 10,800 metres had been attained, and, another registering 11,600 metres. The aviator's instruments show that he might somewhere close to seven miles. The ascent required eighty minutes. The aviator refused to descend when an oxygen bottle refused to work.

Strathmore Takes Second At Cluny Tournament

The baseball tournament at Clancy, in connection with the annual sports, took on Thursday, provided three good ball games, in the first Strathmore met Clancy and Gleichen competed with Milo. Strathmore won out by 7-3, and Milo by 4-3. In the finals Milo and Strathmore home to a 7-1 score. Clancy and Gleichen were the winners. Strathmore battery in the first game. Clanchan pitched two innings in the second game, Loucks taking over then. The game was called in the eighth on account of darkness.

Strathmore lineup for the first game was as follows: Anderson, c; Clanchan, p; Thomas, 1st b; Loucks, 2nd b; Baker, ss; Green, 3rd b; Gray, 4th b; and Smith, 5th b. In the second game W. Gray played left field.

McArthur, Gleichen, umpire.

BASEBALL TOURNAMENT

AT CARSELAND
A baseball tournament will be held at Carseland today, under the auspices of Carseland baseball club, competing teams being Blackie, Red Cross, Milo, and Carseland. A dance will be held in the evening.

Suggestions To Voters

The Moderation League of Alberta submits for the consideration of the electorate of this Province:

1. That the Prohibition Act now in force in this Province has lamentably failed in the purpose for which it was enacted, because intemperance cannot be eliminated by legal enactment, but by moral suasion and education.
 2. Because Prohibition puts all kinds of liquor in the same class and treats all the same way.
- From the standpoint of intoxication, strong alcoholic drinks, needless to say, are the most dangerous, and prohibiting the use of them without the strong support of a large majority of the citizens, leads to their illegal sale and illicit distilling, so prevalent now in Alberta.

The use of a light beer as a beverage will put the average man a reasonable distance from the temptation of strong drink, as light beer stimulates without inebriating. This is just what "D" will accomplish if approved of by a majority of Alberta citizens.

A vote for "D" is a vote to eliminate boot-legging and illicit stills.
